INTERNATIONAL ECONOMIC FORUM MAGDEBURG 2025

JULY 11, 2025
DORINT HERRENKRUG PARKHOTEL MAGDEBURG

Foreword to the Economic Forum on 11 July 2025 by Dr. Gunnar Schellenberger President of the State Parliament of Saxony-Anhalt, MdL

Ladies and Gentlemen,

it is a great honour for me to be the patron of the Economic Forum 2025 in Magdeburg. A very special event awaits us on 11 July 2025, hosted by the initiators, the Rennclub H4 business network, the Magdeburger Rennverein e. V. von 1906 and the German Global Trade Forum Berlin.

In a rapidly changing global environment, the exchange of ideas and best practices is essential to tackle common challenges and seize opportunities. This forum offers you the opportunity to enter into dialogue with high-profile representatives from diplomacy, business, politics and society and to make valuable contacts.

Together we will discuss topics such as industry, agriculture, technology and the exchange of skilled labour. Our aim is to provide impetus for a successful future and promote cooperation.

I look forward to welcoming you to Magdeburg in July and am confident that we can work together to shape a sustainable and successful future.

Yours sincerely

Dr Gunnar Schellenberger
President of the State Parliament of Saxony-Anhalt, MdL

MAGDEBURG ECONOMIC FORUM 2025 AND RACE DAY AN INTERNATIONAL HIGHLIGHT!

Excellencies, colleagues, ladies and gentlemen,

Please make a note of July 11 and 12 2025 in your diary, because we cordially invite you to an exciting weekend in Magdeburg in the heart of Germany!

Magdeburg, under Emperor Otto I. even the capital of Europe, is recommended as a city of science, sport, creative industries and successful international networking. The 'Green Cities - Green Industries Initiative' has made an international impression.

11 July 2025
Business Forum at the Dorint Herrenkrug Parkhotel

Immerse yourself in the world of collaboration and innovation! In the traditional Herrenkrug Parkhotel, right next to the 'imperial' racecourse from 1906, our business forum will put the topics of industry, agriculture, technology, science, sport, culture and the exchange of skilled labour on the agenda.
Be part of a first-class exchange with high-calibre representatives from diplomacy, business, politics and society.
